DOC MICRO SER.

Subject told Little Martha that he came to Helsinki ~~with delegation~~ without knowledge of Iranian authorities. He would have probably trouble should Iranian government get cognizant of his participation in the Festival.

Subject is dissatisfied with American aid to Iran because this is an aid to Shah and his family plus entourage. What Iran needs is democratic order, social reforms, and a government without Shah. But if this is impossible then he prefers communism to present system.

Little Martha gave him "Myth and Reality".
